AGRIBUSINESS

ANALYTICS

As employers try to make sense of Big Data, they need people who can make analytical insights. This hands-on course gives you the tools to examine data and effectively present it.

- **Do you want to add valuable skills to your resume or make your graduate application more competitive?**
- **Are you looking for a hands-on approach to classroom learning?**
- **Do you want to be confident that you can manage a data set on your first job?**

If you want to learn how to apply your knowledge to real world problems, Agribusiness Analytics is for you!

Fall 2018
Monday/Wednesday
11:45-1:00 PM

Professor
Dr. Julianne Treme

jtreme@ncsu.edu

For ABM & BBM majors
course will count as
a 400-level elective.

Course will fit
in the elective
requirement for the
ABM minor. Students
pursuing majors or
minors in Economics
should consult with the
Director of
Undergraduate
Programs in Economics
about including 400
level ARE courses in
their program.

Prerequisites
ARE/EC 201 &
ST 311 OR ST/BUS 350
